STUDENT UNDERGRADUATE RESEARCH FELLOWSHIP

Fall 2022 | Office of Nationally Competitive Awards

Campus Deadlines

Applications will be due October 12-14, 2022

Deadline for Submission

October 12th-14th

Applications will be submitted online through the platform Infoready.

Your application will be reviewed by a faculty or staff member over Microsoft Teams.

You will sign up for a review appointment through UASuccess (watch for an email from the Office of Nationally Competitive Awards for detailed instructions).

STUDENT UNDERGRADUATE RESEARCH FELLOWSHIP

ELIGIBILITY
GUIDELINES

The SURF program provides up to \$3,250 in research funds to students in any major.

To be eligible to apply for SURF:

3.25 GPA or higher

30 or more hours of college credit,
when funding starts

Support from a Faculty Mentor

US Citizen, resident alien, or
national

Full-time enrollment for the entirety
of the funding period (no
exceptions for graduating seniors!)

STUDENT UNDERGRADUATE RESEARCH FELLOWSHIP

ELIGIBILITY GUIDELINES

- For the 2022-2023 competition cycle, each research mentor is allowed to have a maximum of 4 SURF applicants
- Eligible honors students who cannot submit a SURF application can still submit an Honors College Research Grant application
- Eligible non-honors students who cannot submit a SURF application can still submit an Undergraduate Research Grant application

IMPORTANT NOTE REGARDING FUNDING!!!

- For the 2022-2023 competition cycle, the Honors College (for honors applicants) and the Office of Undergraduate Research (for non-honors students) are increasing institutional matches (bringing the stipend total to \$2,000 per semester) and mentor funding (bringing the total mentor funding to \$1,500)
- **However**, to keep your application within state guidelines for SURF, please model your budget totals on the cover page, budget justification, and budget form after the example figures that we provide for you in this presentation and in the sample documents you receive when registering
- The extra match from the Honors College or the Office of Undergraduate Research will come after you are awarded funds

HONORS COLLEGE RESEARCH GRANTS

ELIGIBILITY
GUIDELINES

Honors College Research Grants provide research support for Honors College students in any major.

To be eligible to apply:

Be an active Honors College student in good standing (including GPA)

Have completed at least 6 honors hours at the U of A prior to application

Be enrolled as a regular full-time student during the grant period (exception for seniors in final semester)

HONORS COLLEGE RESEARCH GRANTS

FALL PROCESS
FOR HC
RESEARCH
GRANTS

- Students - including International Students - must submit a SURF proposal by the deadline (October 14th)
- If you are not funded by the SURF program, your proposal is automatically considered for an Honors College Research Grant
- Honors College awards will be announced shortly after SURF awards

Remember!

To be eligible for Honors College grants, letters of recommendation must come from faculty (ex: professor, associate or assistant professor, instructor, lecturer)

- 2022-2023 SURF applications will be submitted electronically through the online platform Infoready
- All parts of the application will be submitted digitally, including letters of recommendation
 - Your letter writers will receive instructions from Infoready after you enter their information, and they will submit their letters through the site
- We **strongly** encourage you to have your application reviewed early this year

▼ Description

The Student Undergraduate Research Fellowship (SURF) program is designed to allow sophomores, juniors, and seniors the opportunity to conduct in-depth research projects in their specific fields of study. Each student must have a faculty mentor, along with a well-developed proposal.

All types of undergraduate research are eligible for support, and all academic disciplines are encouraged to apply. Funds are provided for students to travel to conferences and present their accomplishments.

Applicants must apply for one of four funding periods: 1) spring only; 2) spring and fall; 3) spring and summer; or 4) spring, summer, and fall. The two most common funding periods are spring only and spring and fall. If you are a graduating senior, then you should apply for spring only funding. Most other students apply for spring and fall funding. Please note that if you apply for summer funding, then you must be enrolled full-time (6 hours) in at least one summer session to receive your funds.

Funding will not begin until January and may be up to \$3,250 for the student, plus \$750 for the mentor, with

My Application

Upload Files

***SURF Cover Page**

*** indicates required**

Upload the completed SURF Cover Page. This was emailed to you as part of the SURF Submission Packet that you received when you registered to submit a SURF application at awards.uark.edu.

Please refer to the sample application materials you received upon registering. Make sure that your totals for each category match the sample for your funding period.

Please use the file that corresponds to your funding period. The stipend amounts have been pre-filled and should not be changed.

The file is set up to allow an Adobe Digital Signature from your research mentor. You do not need to procure the "Authorizing Institutional Official" signature; this step will be completed for you after submission. Please upload your cover page as a pdf.

***File Input:** No file selected.

***SURF Student Stipend Agreement**

Upload the completed SURF Student Stipend Agreement. This was emailed to you as part of the SURF Submission Packet that you received when you registered to submit a SURF application at awards.uark.edu.

The file is set up to allow an Adobe Digital Signature from you and your research mentor. Please upload your stipend agreement as a pdf.

***File Input:** No file selected.

***Mentor CV**

Upload your mentor's CV. Remember, the CV cannot be more than two pages.

Please upload your mentor's CV as a pdf.

***File Input:** No file selected.

***Student Resume**

Upload your resume. Remember, the resume cannot be more than two pages.

You are required to have 3 Reference Letters for this competition. One letter must be written by your research mentor, and the other two letters should be written by UA faculty who can support your research. These should be *academic* letters from professors or instructors who have had you in class. A professional letter or letter of character is not beneficial to your SURF application. You will not be able to view letters once they are submitted. Upon submitting your application or clicking "Send Letter Request" on a saved draft application, your letter writers will receive an email containing a unique link to a web page where letters may be uploaded. **DO NOT change the email and instructions for letter writers that appears below.**

© 2006 The Authors

This message will be sent to all reference letters identified above.

(Your name goes here) requests that you provide a reference letter for an application to Student Undergraduate Research Fellowship (SURF) - Fall 2022. Please submit your reference letter by Friday, October 14, 2022 at 11:59 pm.

Mahlon Martin Fellowship

Eligible African American students are encouraged to apply for the SURF program and the Mahlon Martin Fellowship, which provides additional research funds and an expanded travel budget. Applying is optional and will not exclude the application from being considered for SURF funding

REGISTER TO APPLY FOR SURF

SURF
REGISTRATION

To get started, follow these steps:

Go to awards.uark.edu/surf

Fill out the registration form

Download the application toolkit

To register, you need to know:

Project title

Project timeline

IRB information (if applicable)

Mentor's contact information

SURF COVER PAGE

Remember!

Provide 1 official transcript from the Registrar's Office. You can order an electronic transcript through the Registrar.

Print or screenshot a list of your current semester courses from UAConnect.

SURF STUDENT STIPEND AGREEMENT

SURF
STIPEND
AGREEMENT

SURF Student Stipend Agreement

I, _____, understand that a portion of Student Undergraduate Research Fellowship (SURF) funding comes in the form of a student stipend. This stipend is either \$1,250 (spring only funding) or \$2,500 (spring/summer; spring/summer/fall; spring/fall funding), and it is paid directly to me, the student. The student stipend is meant to supplement my income during the research period, and I am not required to spend any portion of it to support my SURF-funded project.

If I am using my student stipend solely as a living stipend, I will indicate that I am spending zero dollars below. If I have agreed with my mentor to use a portion of my student stipend to support my research project, the arranged costs will be listed below:

Amount to be spent	Description of expenditure

Both my faculty mentor and I have agreed upon the use of my student stipend, as is indicated below.

(typed student name)

(student signature)

(date)

(typed faculty mentor name)

(faculty mentor signature)

(date)

This form must be submitted with my SURF application.

Remember!

All students must submit this form as part of their application.

If the student stipend will be used solely as a living stipend, please enter “\$0” and “No expenditures”

Your 2-page academic résumé is a vital part of the SURF application. It should include the following information:

Education: GPA, degree plan, number of hours completed, class standing (sophomore, junior senior), graduation date

Research Experience: lab experience, presentations, posters, publications of any kind, projects underway

Honors & Awards: scholarships, previous SURF funding, other honors

Relevant Experience: leadership experience, volunteerism, community service

Additional Relevant Information: work experience, significant hobbies

WRITING THE RESEARCH PROPOSAL (ITEM 8)

- Do your homework. It is important to show you know something about your field & project. (Don't forget to cite that homework.)
- Address the feasibility of the project (i.e., is the project reasonable for you to pursue with the available facilities?)
- Answer the question: Is the proposed research/scholarly activity of value to your field of study? How? and Why?
- Answer the question: Is the project of sufficient difficulty to challenge you?
- Answer the question: Will the project teach you skills that are transferable to other research endeavors/scholarly activities?
- Address other criteria you deem appropriate

Remember!

You must cite every source you reference in your proposal (including data, figures, and language)! Not appropriately citing your sources will doom your proposal.

Use the style guidelines preferred by your discipline.

WRITING THE RESEARCH PROPOSAL (ITEM 8)

The logo for SURF APPLICATION is located in the top right corner. It consists of a dark gray circle containing the text "SURF" in a large, white, sans-serif font, with "APPLICATION" in a smaller, white, sans-serif font below it. Above the circle is a small red circle containing a white molecular structure icon.

SURF
APPLICATION

- Your 5-page research proposal is separate from your 1-page research summary
- Your works cited section does not count against the 5-page limit for the research proposal
- Discussion of background should account for no more than 25% of the project description
- When introducing your topic, assume you are writing to a generalist in your field
- Write in the first person (ex: “I will perform” instead of “The student researcher will perform”)
- The timeline should be indicated with a bolded header, and should outline clear, incremental goals for the project’s funding period

- What is one thing successful proposals have in common?
- Successful applicants typically cite at least five peer-reviewed, outside sources in their research proposals
- How can you ensure you have high-quality, credible sources?

Where do you start?

- Start by building a relationship with both your faculty mentor and librarian; they are your research team.
 - Schedule a consultation with a research librarian early in the process.
- Discuss - meet with your faculty mentor
 - Refine - meet with your librarian
 - Research - in-depth consultation with a librarian

- Working with a research librarian can include:
 - One-on-one research assistance
 - Small group workshops
- Start-to-finish research support
 - Help meet deadlines your mentor establishes

- Jay McAllister, SURF and Honors Outreach Librarian
- Virtual office hours through Teams
 - Wednesdays, 10-12
 - Thursdays, 2-4
- <https://uark.libcal.com/appointments/jaymcallister>

SURF EVALUATION CRITERIA

SURF
APPLICATION

Your SURF application will be evaluated by a state-appointed faculty committee.

Your part of the application constitutes the bulk of the review

Student performance

Proposed research project

Appropriate course selection

THE MENTOR CV (ITEM 3)

SURF
APPLICATION

The Mentor CV should include the following information:

- Name, department, institution
- A brief statement of research/scholarly interests
- A list of recent publications
- A list of undergraduate advisees and undergraduate projects directed (limit to the last 5 years)
- Other relevant information (as space allows)
- Use the SURF Mentor Form as a template for the mentor CV - DO NOT submit the SURF Mentor Form page of your application

Remember!

Your mentor's CV is limited to *2 pages*!

If it is longer than 2 pages, SURF reviewers will discard everything after the 2nd page.

THE MENTOR LETTER OF SUPPORT (ITEM 11)

- Address all letters to the SURF Selection Committee
- Address student's academic (especially research) abilities and performances
- Outline significance of the student's project
- Indicate student's ability to complete the project
- Comment on student's ability to meet the schedule and to live up to commitments
- Outline the mentor's advisory role, explaining what the mentor has to bring to the project
- Must be on official letterhead and signed
- Letters will be submitted through Infoready

ADDITIONAL LETTERS OF SUPPORT (ITEM 12)

The logo for SURF Application is located in the top right corner. It consists of a large dark gray circle with the text "SURF APPLICATION" in white, sans-serif, uppercase letters. Above the circle is a small blue circle containing a white molecular structure icon.

SURF
APPLICATION

- The additional letters of support should come from academic faculty who have taught you or supervised your research. Professional letters or letters of character are not helpful to the SURF application. Letters should not be written by graduate assistants.
- Address all letters to the SURF Selection Committee
- Address student's academic (especially research) abilities and performances
- Relay, whenever possible, specific examples of the student's merit and potential
- Must be on official letterhead and signed
- Letters will be submitted through Infoready

SURF FUNDING AMOUNT - SPRING ONLY

SURF
BUDGET

The total SURF award is a combination of funding from the state of Arkansas and the U of A.

If you have questions about the budget, contact Kathy Scheibel at scheibel@uark.edu

Project budget totals

\$1,250 TOTAL Stipend:

\$625 from SURF

\$625 from institution

\$750 Student Travel

\$750 Faculty Funding

\$2,750 (max) SURF award

SURF FUNDING AMOUNT -

Spring/Fall; Spring/Summer;
Spring/Summer/Fall

SURF
BUDGET

The total SURF award is a combination of funding from the state of Arkansas and the U of A.

If you have questions about the budget, contact Kathy Scheibel at scheibel@uark.edu

Project budget totals

\$2,500 TOTAL Stipend:

\$1,250 from SURF

\$1,250 from institution

\$750 Student Travel

\$750 Faculty Funding

\$4,000 (max) SURF award

BUDGET FORMS (ITEMS 9 AND 10)

SURF BUDGET

The SURF budget justification form allows you to list project expenses. Keep in mind:

- Make sure that your budget sheet matches your funding period
- Do not alter the student stipend amount
- Enter a basic description of how you plan to use travel funds (ex: Travel to Biophysical Conference in Denver, CO, on 9/4/2023)
- Mentor costs must be itemized

SURF BUDGET JUSTIFICATION FORM

Student and mentor have determined that the following expenditures are needed to adequately fund the project:

Mentor Costs:

Enter amount
in box below

Summer Salaries and Fringe Benefits (9 Month Faculty Only):

Salary - enter amount		
Applicable Fringe - (insert institutional fringe rate)	RATE:	\$ -
Total Salary and Fringe		\$ -
